Direct Connections

Skip the cold DMs. Connect directly with recruiters and mentors who want to meet you.

Healthcare's broken? Fix it. Education system outdated? Rebuild it. Climate crisis? Solve it. See something broken in your world? Don't just complain — fix it and pass it forward.

The Meaning Behind FixForward

There's a saying — when someone helps you, you don't just thank them. You help someone else in need. The cycle continues.

FixForward is built on the same idea. You see something broken in society? Fix it. Not just for yourself, but for the next generation. Forward the fix.

We're looking for problem-solvers who see issues in their daily lives and have the courage to create solutions that ripple forward.

- Build tech that actually matters
- Vibe with industry mentors who've been there

Why Join?

Stop building todo apps. Start solving actual problems. Your skills deserve a better stage. This is where your code stops being homework and starts being a portfolio piece recruiters actually want to see.
